Same program ~ now even more fun!

Entrepreneur and restaurateur Mike Anderson is our host. Anderson, owner of Mango Mike's restaurants in Alexandria, VA, and in Bethany Beach, DE, is also president of the Alexandria Chamber of Commerce and very active in many business and community activities. He will talk about his newest ventures in Alexandria while the audience can sample the great gourmet fare. In addition to Pork Barrel BBQ, the site will also include two other future restaurants featuring Asian Fusion and a Sushi Lounge. Anderson and his wife, Donna, have been Alexandria residents for 30 years and have raised 3 daughters here.

Anderson will be joined at the podium by fellow entrepreneur, Eric Nelson, who is the president of the Del Ray Business Association, and has just opened his 4th area business outlet in this region. He'll talk about expanding a small business during a tough economy, and its risks and rewards.

His ventures include chocolates, paper goods and gift items.
